Don't Let the Sun Go Down On Me (with Elton John)

George Michael & Elton John

I can't light
No more of your darkness
All my pictures
Seem to fade to black and whiteI'm growing tired
And time stands still before me
Frozen here
On the ladder of my lifeIt's much too late
To save myself from falling
I took a chance
And changed your way of lifeBut you misread
My meaning when I met you
Closed the door
And left me blind by the light
Don't let the sun go down on me
Although I search myself it's always someone else I see
I'd just allow a fragment of your life to wander free
But losing everything is like the sun going down on me
{Ladies and gentlemen, Mr. Elton John!}I can't find
Oh, the right romantic line
But see me once
And see the way I feelDon't discard me, baby don't
Just because you think I mean you harm
Just because you think I mean you harm, oh
But these cuts I have (cuts I have)
They need love (they need love, they need love), to help them heal
Oh, don't let the sun go down on me
Although I search myself it's always someone else I see
I'd just allow a fragment of your life to wander free, oh
Cause' losing everything is like the sun going down on me
Don't let the sun go down on me
Although I search myself it's always someone else that I see, yeah
I'd just allow a fragment of your life to wander free baby, oh
Cause' losing everything is like the sun going down on me
{Mr. Elton John}
