

Break the Bank

ScHoolboy Q

Fuck rap, I've been rich, crack by my stick shift
Oxy like concerts, always my bread first
GetMine my nickname, O-X and cocaine
Nina my new thing, blew up before fame
Heart filled with octane, fire in my soul
Burn through my shoestring, came up from boosting
Du-rags and flatlines, drive-by's at bedtime
Get down, I heard mom, some one lost they grandson
Thank God that I'm straight, no wonder my mom prayed
Lost one of my cuzzos, cursed from them devils
Good weed and me time, goodbye to Nissan
Cause one day this rappin' gon' paySo now we 'bout to break the bank, money be on my mind
Niggas talkin' 'bout, soundin' like la-da-di-do, la-di-da-di-da-di-do
Now we 'bout to break the bank, money be on my mind
Niggas talkin' 'bout, soundin' like la-da-di-do, la-di-da-di-da-di-do
La-da-di-do, la-di-da-di-da-di-do
La-da-di-do, la-di-da-di-da-di-do, niggas talkin' 'bout
La-da-di-do, la-di-da-di-da-di-do
La-da-di-do, la-di-da-di-da-di-do, now we 'bout to break the bankMy time to show out, finally
the illest crip
And I guarantee, I spit harder than concrete
Surprised I got teeth, my lungs inhale keef
Peyote with THC, swinging for the fence
I hope I make it out the park, where the baseheads slide
After dark, where the bangers get caught
Hid the gun in the trees, arrest me by the court
I just wanna smoke weed and sip lean by the quart, for real
Good weed, I hit that, crack rock, I sold that
Oxy, I hid that, right by my nutsack
Fuck pigs, I bust back, learned that from Deuce rap
Peanut and B-loon, had gats before racks
Way 'fore I found rap, bitch I had them things wrapped
Astro on my cap, this shot ain't no phone app
Chucks on my young heel, make sure that my sag ill
Learn my set grill, trade in my big wheel
Good grades and skipped school, this life gon' catch up soon
Sure 'nough that shit did, 20 year old kid
Got off my behind, write me some sweet lines
Cause one day my story gon' paySo now we 'bout to break the bank, money be on my mind
Niggas talkin' 'bout, soundin' like la-da-di-do, la-di-da-di-da-di-do
Now we 'bout to break the bank, money be on my mind
Niggas talkin' 'bout, soundin' like la-da-di-do, la-di-da-di-da-di-do

La-da-di-do, la-di-da-di-da-di-do La-da-di-do, la-di-da-di-da-di-do, niggas talkin' 'bout
 La-da-di-do, la-di-da-di-da-di-do
 La-da-di-do, la-di-da-di-da-di-do, now we 'bout to break the bank Your bitch wanted cash, get
 her, know I'm around boy
 Tell Kendrick move from the throne, I came for it
 I hope this, hit a fucking range for it, cause Goddamn What you talkin' 'bout if it ain't 'bout the
 money?
 Neck full of gold, I'm attracted to the honey
 Rain, sleet, snow, 'bout the money
 On Figueroa, close your eyes, might need ya mommy Fuck rap, my shit real, came up off them
 pills
 Hustle for my meal, grindin' for my deal
 Love how I'm doing, long way from grooving
 Bitch call me 2 Chainz, units be moving
 Go hard for my Joy, so she don't need no boy
 Smile stay on her face, big room with her own space Up all night, the hard way, don't care if it
 take all day
 I let y'all fucks parle, you wonder why I'm straight
 New shoes and sick clothes, bitches be front row
 Bow down her tempo, I don't know her info
 Threw up my peace sign, go rare with mignon
 Cause one day this rappin' gon' pay So now we 'bout to break the bank, money be on my
 mind Niggas talkin' 'bout, soundin' like la-da-di-do, la-di-da-di-da-di-do
 Now we 'bout to break the bank, money be on my mind
 Niggas talkin' 'bout, soundin' like la-da-di-do, la-di-da-di-da-di-do
 La-da-di-do, la-di-da-di-da-di-do
 La-da-di-do, la-di-da-di-da-di-do, niggas talkin' 'bout
 La-da-di-do, la-di-da-di-da-di-do
 La-da-di-do, la-di-da-di-da-di-do, now we 'bout to break the bank
 What you talkin' 'bout if it ain't 'bout the money?
 Neck full of gold, I'm attracted to the honey
 Rain, sleet, snow, 'bout the money
 On Figueroa, close your eyes, might need ya mommy
