

# High Heels.

JoJo

Now you don't know, what you don't have  
Until it's gone  
Look through your phone  
Like I should have all along You've been a bad motherfucker  
These pictures of these bitches I don't know  
I'm going out and never ever coming home I put my high heels on  
Walk right out the door  
Best believe, I'mma leave  
Don't need you no more  
Put my black dress on  
Boy, you've done me wrong  
Leave the keys, burn the sheets  
And then move along  
I'mma look damn good for all of your friends  
Don't cry when you see me again  
I put my high heels on Now you don't know, what you don't have  
Until it's walking in some red stilettos  
Talking to some handsome devils  
Just how it should be  
It's a feeling that I know way too well  
A chance at having shot to hell You've been a bad motherfucker  
These pictures of these bitches I don't know  
Without me boy you'll always feel alone  
I put my high heels on  
Walk right out the door  
Best believe, I'mma leave  
Don't need you no more  
Put my black dress on  
Boy, you've done me wrong  
Leave the keys, burn the sheets  
And then move along I'mma look damn good for all of your friends  
Don't cry when you see me again  
I put my high heels on  
Walk right out the door  
Best believe, I'mma leave  
Don't need you no more Now you don't know, what you don't have  
Now you don't know, what you don't have  
Until it's gone I put my high heels on  
Walk right out the door  
Best believe, I'mma leave  
Don't need you no more  
Put my black dress on

Boy, you've done me wrong  
Leave the keys, burn the sheets  
And then move along I'mma look damn good for all of your friends  
Don't cry when you see me again  
I put my high heels on
