

# Skeleton Boy

## Friendly Fires

I close my eyes, on the dance floor  
And forget about you  
I lose myself in flashing colours  
I've gotta see it through You're too much,  
I take it that we're over  
Should we even care at all?  
You're too much, too much  
Let's shake hands and say good(bye)  
(X2)  
Your love is out  
But even despite it all  
Give me your hand  
Let's face this night and see it through Right by my feet, lay broken glasses  
You skeleton boy  
Sweat from the walls, drips on my shoulder  
I gotta see it through You're too much,  
I take it that we're over  
Should we even care at all?  
You're too much, too much  
Let's shake hands and say good(bye) Whoo, yeah  
Whoo, yeah  
Whoo, yeah  
(X5)  
Your love is out  
But even despite it all  
Give me your hand  
Let's face this night and see it through
