

Born Under a Bad Sign (feat. Buddy Guy)

Koko Taylor & Buddy Guy

Born under a bad sign.
Ive been down since i began to crawl.
If it wasnt for bad luck,
I wouldnt have no luck at all. Bad luck and troubles my only friend.
Ive been down ever since i was ten. You know, wine and women is all i crave.
A big bad womans gonna carry me to my grave. Born under a bad sign.
Ive been down since i began to crawl.
If it wasnt for bad luck,
I wouldnt have no luck.
If it wasnt for real bad luck,
I wouldnt have no luck at all.
Born under a bad sign.
Born under a bad sign.
