Ocean (feat. Jacquees)

TK Kravitz

I'm lying if I said I didn't want it
I can tell by your eyes that you focused
Come and hop on this pony
Can I dive in your ocean
Can I take a dive in your ocean
Can I take a dive in your oceanI swear I'm drowing, yeah I'm drowing, yeah I'm drowing babe
You fuck me good and I mean good till I'm lazy babe
Never had no pussy like yours it got me crazy babe
It got me crazy babeI'm in your ocean
It got me floating, it got you talking shit
It got me slapping on that ass like I'm owing it
And when I'm gone you call my phone and say I'm wrong for this
That pussy good
They might catch on to this
I'm in my zone for this
Might write a song for this
Used to drinking Hennessy but I need Patron for this
Yeah I gotta be strong for this
My name she moaning it
And if you feeling like I'm feeling just admit it baby yeahI'm lying if I said I didn't want it
I can tell by your eyes that you focused
Come and hop on this pony
Can I dive in your ocean
Can I take a dive in your ocean
Can I take a dive in your oceanI need your attention
I know the last nigga failed the mission
You like the shower or the kitchen
I would be a fool if I didn't listen
Hit from the back then I hit it from the side in the morning
And the way you calling my name baby I can tell that you want it
(Tell that you want)
Am I pleasing you like?
Is it me that you like?
Is it me that you find me?
You scratching my back
I'm all in no cap
Only thing I speak is facts, all facts yeahI'm lying if I said I didn't want it
I can tell by your eyes that you focused
Come and hop on this pony
Can I dive in your ocean
Can I take a dive in your ocean
Can I take a dive in your oceanI swear I'm drowing, yeah I'm drowing, yeah I'm drowing babe

I swear I'm drowing, yeah I'm drowing, yeah I'm drowing babe
Can I dive in your ocean
Can I take a dive in your ocean
Can I take a dive in your ocean
