

Stomp (Remix)

Kirk Franklin

(Spoken)

For those of you that think gospel music has gone too far
You think we've gotten to radical with our message

Well I got news for ya'
You ain't heard nothin yet
And if ya' don't know, now ya' know
Glory Glory!

You better put them hands together
And act like you know up in here

(Sung)

Lately I've been goin' through some things thats really got me down
I need someone somebody to come and help me turn my life around

I can't explain it

I can't obtain it

Jesus your love is, it's so amazin'

It gets me high, up to the sky,

And when I think about your goodness, it makes me want to

STOMP

Makes me clap my hands, makes me wanna dance,

STOMP

My brother can't you see, I gots the victory,

STOMP

Lately I've been goin' through some things thats really got me down

When I think about the goodness and the fullness of God

Make me thankful, pity the hateful, I'm grateful

The Lord brought me through this far

Tryna be cute when I praise him raise him high

I keep it live be bumpin' people jumpin'

Make the Lord feel somethin'

Ain't no shame in my game God's Property
