

Two Wrongs (feat. Claudette Ortiz)

Wyclef Jean

(Wyclef Jean) (Claudette Ortiz of City High) *Together*I'm jus sitting here playing the guitar
(City high igh igh igh igh)
Claudette, Wyclef
(Excuse me if you see me screaming
but deep in my mind I'm only dreaming
because if I wake girl and your, not by my side
I feel like half of me is no longer alive
So please shorty, before you walk out that door, boo-by
Would you listen to my song?)(If only, I give you one last chance
With the devil you can no longer dance
You've got to be faithful, So we could be fruitful
Build a family and follow God destiny
So just, before I want to reply papi
I might listen to your song)
(Boo, before you walk out that door, listen!)Chorus:
*They say two wrongs don't make it right
So if I'm wrong, I aint tryin' to fight
I'm tryin to have some dinner with some candlelight
Lay up in the bed and make love all night*
(So papi I won't leave, maybe I'll just stay
But promise me that you'll do the same)
(Girl I 'm gonna love you like I never loved)
(Touch me like you've never touched me)
(Yo if you give me the chance girl I'm gonna show you)(Now baby I say, that I forgive you
But I ain't gonna forgive what you put me through) (oh baby baby')
(But I have grown from a thug to a man
Built my castle with bricks, and No longer with sand)
(oh girl) (And just before I walk out that door, baby
I might listen to your song)
(Boo before you walk out that door, listen!)*Chorus(I'm so used to the pain that I can't see the
sunshine no more
I'm so used to the pain that the first sickness feels like a cure)
(But if only you gave me the keys to your soul
And let me in, I'm gonna love you,)
(over and over and over again, yeah yeah yeah)*Chorus(I'm not gon stay out on the block no
more
I'll come home early girl, I promise) (Oooh yeah yeah.)
