

# Fun Tonight

## Lady Gaga

Feelin' something that I can't explain (Oh)  
Think it's a wound I still entertain (Oh)  
I'd do anything to numb the flame (Oh)  
I guess I'm just on fire these days (Oh)  
I can't see straight, I can't see me  
There's too much hurt caught in between  
Wish I could be what I know I am  
This moment's hijacked my plans I'm feelin' the way that I'm feelin', I'm feelin' with you  
I stare at the girl in the mirror, she talks to me too Yeah, I can see it in your face  
You don't think I've pulled my weight  
Maybe it's time for us to say goodbye 'cause  
I'm feelin' the way that I'm feelin', I'm feelin' with you  
I'm not havin' fun tonight  
You love the paparazzi, love the fame  
Even though you know it causes me pain  
I feel like I'm in a prison hell  
Stick my hands through the steel bars and yell  
What happens now? I'm not okay  
And if I scream, you walk away  
When I'm sad, you just wanna play  
I've had enough, why do I stay? I'm feelin' the way that I'm feelin', I'm feelin' with you  
I stare at the girl in the mirror, she talks to me too Yeah, I can see it in your face  
You don't think I've pulled my weight  
Maybe it's time for us to say goodbye 'cause  
I'm feelin' the way that I'm feelin', I'm feelin' with you  
I'm not havin' fun tonight  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
I'm not havin' fun tonight  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
I'm not havin' fun tonight Yeah, I can see it in your face  
You don't think I've pulled my weight  
Maybe it's time for us to say goodbye 'cause  
I'm feelin' the way that I'm feelin', I'm feelin' with you  
I'm not havin' fun tonight
