

# Don't Play That Song

**Aretha Franklin**

Don't play that song for me  
it brings back memories of days that i once knew  
the days that i spent with you  
oh no, don't let it play  
it fills my heart with pain  
please stop it right away  
i remember just-a what it said  
it said: "darling, i love you"  
you know that you lied  
"darling, i love you"  
you know that you lied  
"darling, i love you"  
you know that you lied, you lied,  
you lied, lied, lied, lied  
Remember on our first date  
you kissed me and you walked away  
you were only seventeen  
i never thought you'd act so mean  
but baby you told me you loved me  
you told me you cared  
you said, "i'll go with you darling almost anywhere  
but darling, you know that you lied, lied, lied, lied, lied
