

# This Christmas

Mary J. Blige

Hang all this mistletoe  
I'm gonna get to know you better... this Christmas  
And as we trim the tree  
How much fun it's gonna be together, yea... this Christmas  
Fireside's blazing bright  
We're caroling through the night  
And this Christmas will be  
A very special Christmas for me  
Presents and cold out here  
My world is filled with cheer with you... this Christmas  
And as I look around  
Your eyes, they all find the time, they do... this Christmas  
Fireside's blazing bright  
We're caroling through the night  
And this Christmas will be  
A very special Christmas for me  
Shake a hand, shake a hand yea  
Merry Christmas all over the land  
Oh it's Christmas time  
It's Christmas time  
Fireside's blazing bright  
We're caroling through the night  
And this Christmas will be  
A very special Christmas for me  
Shake a hand, shake a hand yea  
Merry Christmas all over the land  
Have a merry merry Christmas yea  
And a happy New Year yea yea  
I hope that it's full of cheer oh yea  
Hope you get everything you want for Christmas  
Hope your families are together  
Hope that everyone is safe and sound  
Merry Christmas everybody
