Don't You Wanna Stay (with Kelly Clarkson)

Jason Aldean

I really hate to let this moment go
Touching your skin and your hair falling slow

When a goodbye kiss feels like this Don't you wanna stay here a little while?

Don't you wanna hold each other tight?

Don't you wanna fall asleep with me tonight?

Don't you wanna stay here a little while?

We can make forever feel this way

Don't you wanna stay?

Let's take it slow, I don't wanna move too fast

I don't wanna just make love, I wanna make love last

When you're up this high, it's a sad goodbyeDon't you wanna stay here a little while?

Don't you wanna hold each other tight?

Don't you wanna fall asleep with me tonight?

Don't you wanna stay here a little while?

We can make forever feel this way

Don't you wanna stay? Hey yeah, oh yeahOh, you feel so perfect, babyYeah you feel so perfect,

babyDon't you wanna stay here a little while?

Don't you wanna stay here a little while?

Don't you wanna hold each other tight?

Don't you wanna fall asleep with me tonight?

Don't you wanna stay here a little while?

We can make forever feel this way

Don't you wanna stay? Hey yeah

Don't you wanna stay?

Yeah, yeah, yeah

Yeah, yeah, yeah
