

I Still Miss Someone

Johnny Cash & Willie Nelson

At my door the leaves are falling
A cold wild wind will come
Sweethearts walk by together
And I still miss someone I go out on a party
And look for a little fun
But I find a darkened corner
because I still miss someone No, I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there
I wonder if she's sorry
For leavin' what we'd begun
There's someone for me somewhere
And I still miss someone.
