

# Here Comes the Night Time II

## Arcade Fire

Here comes the night time  
Here comes the night time I hurt myself again  
along with all my friends  
Feels like it never ends  
here comes the night again Here comes the night time  
Here comes the night time  
Here comes the night time  
You hurt yourself again  
along with all your friends  
Feels like it never ends  
here comes the night again Here comes the night time  
coming on slow  
Here comes the night time  
I know that you know Here comes the night time  
Here comes the night time  
Here comes the night time  
Here comes the night time Well  
I hurt myself again  
along with all my friends  
Feels like it never ends  
here comes the night again  
Here comes the night time  
Here comes the night time  
Here comes the night time  
Here comes the night
