We Are Family

Sister Sledge

We are family
I got all my sisters with me
We are family
Get up everybody and singWe are family
I got all my sisters with me
We are family

Get up everybody and singEveryone can see we're together

As we walk on by

(And!) and we fly just like birds of a feather

I won't tell no lie

(All!) all of the people around us they say

Can they be that close

Just let me state for the record

We're giving love in a family dose

We are family

I got all my sisters with me

We are family

Get up everybody and singWe are family

I got all my sisters with me

We are family

Get up everybody and singLiving life is fun and we've just begun

To get our share of the world's delights

(High!) high hopes we have for the future

And our goal's in sight

(We!) no we don't get depressed

Here's what we call our golden rule

Have faith in you and the things you do

You won't go wrong

This is our family jewel

We are family

I got all my sisters with me

We are family

Get up everybody and singWe are family

I got all my sisters with me

We are family

Get up everybody and singWe are family

I got all my sisters with me

We are family

Get up everybody and singWe are family

I got all my sisters with me

We are family

Get up everybody and singWe are family

I got all my sisters with me
We are family
Get up everybody and singWe are family
I got all my sisters with me
We are family
Get up everybody and singWe are family
I got all my sisters with me
We are family
Get up everybody and singWe are family
I got all my sisters with me
We are family
Get up everybody and sing
