Baby Dynamite

Golden Earring

From the Album:

* Cut
With a dream in her pocket
Flightticket in hand
She's going off to the crazy land
Green pastures - like blankets unfold

Out the door & down the hall

Crazy river, with a cold shiver Into doop water she dives

She's got herself involved & now it's evolved

Into interstellar overdrive

Well I know she's got a talent for finding me When she happens to be in the vicinity

She'll be on the phone
When the dancin's done
Probably all alone

My baby dynamite - your lucky stars are out tonight

And your cards are on the table All the odds are in your favour

Dynamite - heaven says you're doin' allright

With a heart that's shaped like a diamond

You've been cut for the assignment

Don't be a moth - hidin' pain

When your wings go up in flame Money is a rocket - blow it skyhigh

The more you get - the more you fly

Green pastures that unfold

A future carved out of solid gold...

Found in a river - hidin' a treasure

Impossible to find

And your soul's sold to the payroll While it's tryin' to have a good time

Stayin' up - walkin' around Talkin' muscle & makin' sounds

kin' muscle & makin' sound: Like baby dynamite
