Firework

Katy Perry

Do you ever feel like a plastic bag? Drifting through the wind Wanting to start again Do you ever feel, feel so paper-thin? Like a house of cards One blow from caving inDo you ever feel already buried deep? Six feet under screams, but no one seems to hear a thing Do you know that there's still a chance for you? 'Cause there's a spark in youYou just gotta ignite the light And let it shine Just own the night Like the Fourth of July 'Cause, baby, you're a firework Come on, show 'em what you're worth Make 'em go, "ah, ah, ah" As you shoot across the skyBaby, you're a firework Come on, let your colors burst Make 'em go, "ah, ah, ah" You're gonna leave them all in awe, awe, aweYou don't have to feel like a wasted space You're original, cannot be replaced If you only knew what the future holds After a hurricane comes a rainbowMaybe a reason why all the doors are closed So you could open one that leads you to the perfect road Like a lightning bolt, your heart will glow And when it's time, you'll know You just gotta ignite the light And let it shine Just own the night Like the Fourth of July'Cause, baby, you're a firework Come on, show 'em what you're worth Make 'em go, "ah, ah, ah" As you shoot across the skyBaby, you're a firework Come on, let your colors burst Make 'em go, "ah, ah, ah" You're gonna leave them all in awe, awe, aweBoom, boom, boom Even brighter than the moon, moon, moon It's always been inside of you, you, you And now it's time to let it through-ough-ough'Cause, baby, you're a firework Come on, show 'em what you're worth Make 'em go, "ah, ah, ah" As you shoot across the skyBaby, you're a firework Come on, let your colors burst
