

# Twilight

Vanessa Carlton

I was stained with a role in a day not my own  
As you walked into my life  
You showed what needed to be shown  
I always knew what was right  
I just didn't know that I might  
Peel away and choose to see with such a different sightCHORUS:  
And I will never see the sky the same way  
And I will learn to say good-bye to yesterday  
And I will never cease to fly if held down  
And I will always reach too high  
'Cause I've seen, 'cause I've seen  
Twilight  
Never cared, never wanted, never sought to see what flaunted  
So on purpose, so in my face, couldn't see beyond my own place  
And it was so easy not to behold what I could hold  
But you taught me I could change whatever came within these shallow daysAnd I will never  
see the sky the same way  
And I will learn to say good-bye to yesterday  
And I will never cease to fly if held down  
And I will always reach too high  
'Cause I've seen, 'cause I've seen...As the sun shines through it pushes away and pushes ahead  
It fills the warmth of blue and leaves a chill instead  
And I didn't know that I could be so blind to all that is so real  
But as illusion dies I see there is so much to be revealedCHORUS  
I was stained by a role in a day not my own  
But as you walked into my life  
You showed what needed to be shown  
I always knew what was right  
I just didn't know that I might  
Peel away and choose to see with such a different sightCHORUS
