I Miss You Like Christmas

LeAnn Rimes

How long has it been?
Can't remember when
Yeah it's been awhile
The years look good on you
but I expect them to
I sure miss that smileLook you got me grinnin'
Then I'm blushin' too
Don't have to be a genius
To see the honest truth
I miss you like Christmas baby
That's just how it's been
Yes I kind of miss us
like we were... back when
Sure I've gone on since you baby
lost my heart a time or two
I miss you like Christmas baby
That's it, I just doThe leaves begin to change
first frost is back again
... cards and pumpkin pie
jingle bells and silent night
and that old familiar end
I can't deny
I miss you like Christmas baby
that's just how it's been
Yes i kind of miss us
like we were... back when
Sure I've gone on since you baby
Lost my heart a time or two
I miss you like Christmas baby
That's it, I just do.I miss you like Christmas baby
