One more time
One more timeLike the legend of the phoenix, yeah
All ends with beginnings, ohhh
What keeps the planet spinning, ahhh
The force from the beginning, nWe've come too far
To give up who we are
So let's raise the bar
And our cups to the starsSayWe're up all night till the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky
We're all up night till the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get luckyWe're up all night to get lucky
We're up all night - all night to get - up all night to get, get, get luckyLast night I had this dream about you
In this dream I'm dancing right beside you
There's nothing wrong with just a little bit of fun
We were dancing all night longOh, I don't know what to do
About this dream and you
I hope this dream comes trueOne more time, hey
We're gonna celebrate, oh-yeah, all right
Don't stop the dancing
One more time
We're gonna celebrateWork it harder, make it better
Do it faster, makes us stronger
More than ever hour after
Our work is never overWork it harder, make it better

Do it faster, makes us stronger
