One more time
One more time Like the legend of the phoenix, yeah
All ends with beginnings, ohhh
What keeps the planet spinning, ahhh
The force from the beginning, n We've come too far
To give up who we are
So let's raise the bar
And our cups to the stars Say We're up all night till the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky
We're all up night till the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky We're up all night to get lucky
We're up all night - all night to get - up all night to get, get, get lucky Last night I had this dream
about you
In this dream I'm dancing right beside you
There's nothing wrong with just a little bit of fun
We were dancing all night long Oh, I don't know what to do
About this dream and you
I hope this dream comes true One more time, hey
We're gonna celebrate, oh-yeah, all right
Don't stop the dancing
One more time
We're gonna celebrate Work it harder, make it better
Do it faster, makes us stronger
More than ever hour after
Our work is never over Work it harder, make it better

Do it faster, makes us stronger
More than ever hour after
Our work is never over I'm a work it harder, make it bett-
Do it faster, makes us
More than ever hou-hour after
Ou-our work is never over Work it harder, make it better
Do it faster, makes us stronger
More than ever hour after
Our work is never over Television rules the nation, oh-yeah
Television rules the nation Music's got me feeling so free
Celebrate and dance so free
One more time
Music's got me feeling so free
We're gonna celebrate
Celebrate and dance so free (Celebrate) Tonight (We've)
Hey, just feelin (Come too far)
Music's got me feeling the need (To give up who we are) One more time
Music's got me feeling so free (So let's)
We're gonna celebrate (Raise the bar)
Celebrate and dance (And our cups)
To the stars We're up all night till the sun
We're up all night to get some
We're up all night for good fun
We're up all night to get lucky We're up all night till the sun
We're up all night to get some
We're up all night for good fun
We're up for... One more night
We're up all night till the sun
(Hey) Celebration Feelings so free
One more time We're up all night till the sun
(Hey) Celebration
Music's got me feeling so...
Our work is never over
