Yeah, For dem girl me say again I can tell in your body language you're ready  
She have the whole package, for real she deadly  
I'm a go and just observe for the time  
To let you know what I'm feeling inside  
I'm going to get you girl, quality time  
Whatever baby, you and me, ya know the kind  
Fill up my cup, with your love  
Girl you make me say  
She give me good vibes, never no strife, beautiful side of every day  
Her mood never in a rain, rain  
She give me her love, feel of good love, many a time a day  
She reel me and I can't break away  
[x2] Push your voice and let me hear you shout  
Me get to ten you know how I get down  
Let me hear you say, hit the highs J  
She whisper in my ear, she say she what a replay  
You're looking nicely and want you to fall  
Set up nice, and watch me knock it down  
Let me hear you say, hit the highs J  
Girl you make me say She give me good vibes, never no strife, beautiful side of every day  
Her mood never in a rain, rain  
She give me her love, feel of good love, many a time a day  
She reel me and I can't break away  
[x2]  
Me love the girl then me prefer then the other  
Girls like Shawna, Lana, Ivana

Me give dem a look anytime me right round the corner

Me have nuff a Cali and a JA  
Them call me phone like every single day  
Even when they have nothing to say-a-a  
So every time I come around your way-a-a-a-a-a  
You make sure me have a place to stay-a-a-a-a-a She give me good vibes, never no strife,

Her mood never in a rain, rain  
She give me her love, feel of good love, many a time a day  
She reel me and I can't break away  
[x2]
