

Alive (feat. Pangea & DEGO) [Cat Dealers Remix]

R3HAB & Vini Vici

I-I-I, I had a vision
Of a world in harmony
I saw the li-i-ight, burning aboveIt's why we lived our lives in peace
The ti-i-ide, is slowly turning
It's a new reality
You and I-I-I-I, will build a kingdom
Just as far as the eye can seeOoh-ooh-ooh-ooh-ooh
I'm alive, I'm alive, I'm alive
Ooh-ooh-ooh-ooh-ooh
I've gotta live like
I've gotta live like I'm never gonna die
I've gotta live like
I've gotta live like
I've gotta live like I'm never gonna die
Gotta live like I'm never gonna dieI-I-I, I found a purpose
And a place to call my home
Now side by side, two millions people
And we'll never be aloneOoh-ooh-ooh-ooh-ooh
I'm alive, I'm alive, I'm alive
Ooh-ooh-ooh-ooh-ooh
I've gotta live like
I've gotta live like I'm never gonna dieI've gotta live like
I've gotta live like
I've gotta live like I'm never gonna die
Ooh-ooh-ooh-ooh-ooh
I'm alive, I'm alive, I'm alive
Ooh-ooh-ooh-ooh-ooh
I've gotta live like I'm never gonna die
