We Are Golden (Calvin Harris Remix) [Radio Edit]

MIKA

Teenage dreams in a teenage circus
Running around like a clown on purpose
Who gives a damn about the family you come from
No giving up when you're young and you want someRunning around again (Running around again)
Running from running
Running around again (Running around again)
Running from runningWaking up in the midday sun
What's to live for when you could see what I've done?
I stay out of motion in the light of day
I was hiding from the things that you'd sayWe are not what you think we are
We are golden, we are golden
We are not what you think we are
We are golden, we are golden
Teenage dreams in a teenage circus
Running around like a clown on purpose
Who gives a damn about the family you come from
No giving up when you're young and you want someRunning around again (Running around again)
Running from running
Running around again (Running around again)
Running from runningI was a boy at an open door
Why are you staring? Do you still think that you know?
Looking for treasure in the things that you threw
Like a magpie, I live for glitter not youWe are not what you think we are
We are golden, we are golden
We are not what you think we are
We are golden, we are golden
Teenage dreams in a teenage circus
Running around like a clown on purpose
Who gives a damn about the family you come from
No giving up when you're young and you want someNow I'm sitting alone and I'm looking for help
Left here on my own, I'm gonna hurt myself
Many years have gone by, I'm still wondering why
I ever let the world let it bleed me dryWe are not what you think we are, we are...
We are not what you think we are, we are...
We are not what you think we are
We are golden, we are goldenTeenage dreams in a teenage circus
Running around like a clown on purpose

Who gives a damn about the family you come from
No giving up when you're young and you want someRunning around again (Running around again)
Running from running
Running around again (Running around again)
Running from runningWe are not what you think we are
We are golden, we are golden
We are not what you think we are
We are golden, we are go...We are not what you think we are
We are golden, we are golden
