Everybody Wants to Rule the World

Tears for Fears

Welcome to your life There's no turning back Even while we sleep We will find you Acting on your best behaviour Turn your back on mother nature Everybody wants to rule the worldIt's my own design It's my own remorse Help me to decide Help me make the most Of freedom and of pleasure Nothing ever lasts forever Everybody wants to rule the world There's a room where the light won't find you Holding hands while the walls come tumbling down When they do I'll be right behind youSo glad we've almost made it So sad they had to fade it Everybody wants to rule the world I can't stand this indecision Married with a lack of vision Everybody wants to rule the world Say that you'll never never never never need it One headline why believe it? Everybody wants to rule the world All for freedom and for pleasure Nothing ever lasts for ever Everybody wants to rule the world
