

Change

NF

Yeah, look
I don't do drugs, I'm addicted to the pain though
Yeah, I been on it for a while, dunno how to put it down Gotta have it, it's a habit I'ma break
though
I just wanna take a hit, keep sayin' I'ma quit
Keep sayin' I'ma leave, but I stay though
I just want a little fix, I don't wanna take a risk
I don't like it when I drift from the safe zone
But lately, I been thinkin' I'ma have to
Lettin' go of things that I'm attached to
World don't stop just because I'm in a bad mood
You don't know what love is 'til you holdin' onto somethin' that you can't lose
I swear I'm tryna get it together
Sleeves up, puttin' work in, tryna be better
I like to rap, but I ain't gon' do it forever
Forget to charge up my focus, and I'm holdin' my head up
Moment I get up, I just wanna know I'm doin' my best
And if I'm not, Lord forgive me, you can handle regrets
'Cause I can feel the water tryna go up over my head
Most of my life, I always felt like I was holdin' my breath
Holdin' my chest to be honest, so I'm tired of it
Lookin' for somethin' in my life to be inspired again
I like to walk around and act like I don't know what it is
But I know what it is, I just never wanna commit
Runnin' from change
I'm lookin' for change
I'm searchin' for change
I'm lookin' for change
I just want, I just want change Yeah, I don't like new things
Got a lot of mood swings
Oh, you wanna tell me somethin' negative?
I don't wanna hear what you think
Yeah, tossin' in my sleep
Every night feel like two weeks
Thinkin' 'bout how I could have done this or done that better
Can't help it, that's just me
Lies, that's me avoidin' the change
Yeah, that's probably why the issues ain't goin' away
Yeah, that's probably why I always sit around and complain
Tellin' myself that I ain't never gettin' out of this place
Out of my face if you tellin' me I need to be different
That's the issue though, I'm always insecurity-driven

Takin' the wrong turns, actin' like I know where I'm headed
 Waitin' for somethin' bad to happen, I can snap any minute, I need change
 Yeah, that's kinda easy to say, right?
 But difficult to do when I feel like I hate life
 And everyone around me kinda thinks I'm a great guy
 But I don't ever think it so I think I'm a fake liar (Change)
 It somethin' that I know I should do
 I'm a little uncomfortable to tell you the truth
 But to be honest with you lately, I got nothin' to lose
 See, I've always been full of pain, but now I'm makin' some room
 Lookin' for change
 I'm lookin' for change
 I'm searchin' for change
 I'm lookin' for change
 I just want, I just want—I need a moment of silence
 I don't like change, but I'll try it
 I don't wanna hear what I should or I shouldn't do
 Why are they always defiant?
 See, all my emotions are liars
 All my emotions are violent
 They don't want freedom to find me
 Mention a name and everybody riots (Change)
 Yeah, that's why I'm checkin' my vitals
 They keep on workin', but I know
 Breathin' don't mean you're alive so
 I bag up all of my trash and walk out on my tightrope
 Positive thoughts are my rivals (Change)
 I'm tryna be be on their side though
 Should I feel comfortable? I don't
 Last year, I felt suicidal
 This year, I might do somethin' different like talkin' to God more
 I'm lookin' for change
 I'm lookin' for... (Yeah)
 I'm searchin' for change
 I'm lookin' for...
 I just want, I just want change
 I'm lookin' for... (Yeah)
 I'm searchin' for change
 I'm lookin' for, yeah (Ayy, ayy)
 I just want, I just want change
 Yeah, I'm lookin' for
 I'm searchin' for change
 I'm lookin' for... (Yeah)
 I just want, I just want change
 I'm lookin' for... (Ayy)
 I'm searchin' for change
 I'm lookin' for, yeah
 I just want, I just want change
