

# Away from the Sun (iTunes Originals Version)

## 3 Doors Down

It's down to this  
I've got to make this life make sense  
Can anyone tell what I've done  
I miss the life  
I miss the colors of the world  
Can anyone tell where I am 'Cause now again I've found myself  
So far down  
Away from the sun that shines into  
The darkest place  
I'm so far down  
Away from the sun again  
Away from the sun again  
I'm over this  
I'm tired of living in the dark  
Can anyone see me down here  
The feeling's gone  
There's nothing left to lift me up  
Back into the world I know  
But now again I've found myself  
So far down  
Away from the sun that shines into  
The darkest place  
I'm so far down  
Away from the sun  
That shines to light a way for me  
To find my way  
Back into the arms  
That care about the ones like me  
I'm so far down  
Away from the sun again  
Ohh no  
Yeahhh  
Ohh no  
It's down to this  
I've got to make this life make sense  
And now I can't tell what I've done  
And now again I've found myself  
So far down  
Away from the sun  
That shines to light the way for me  
Because now again I've found myself  
So far down  
Away from the sun that shines into  
The darkest place  
I'm so far down  
Away from the sun  
That shines to light a way for me

To find my way  
Back into the arms  
That care about the ones like me  
I'm so far down  
Away from the sun again Oh no  
Yeah  
I'm gone
