

# Never Coming Home

## Crossfade

I'm planning my release  
Tonight I'll speak the words I never  
Thought I'd ever have to say to you  
Hope it stings you so deeply  
For a moment you might see me  
And I'll leave you there alone  
One more thing that you should know  
I'm not ever coming home Think we should finally let this go  
We both know it's the end of the road  
All I ever needed  
Someone to believe in  
Anything that I could do  
Maybe there's something beautiful  
Hidden deep in my bones  
I'll get as far as I can go  
Where I run, you never will know  
When you're left there lying alone  
Know I'm never coming home  
I think we've had enough time to know  
So know that when I go  
It's the end of the road  
Know where I go, it's the end of the road  
It's the end of the road  
I'm never coming home  
See, i' am never coming home  
See, i'am never coming home  
See they!
