

# Innocent

## Taylor Swift

I guess you really did it this time  
Left yourself in your warpath  
Lost your balance on a tightrope  
Lost your mind tryin' to get it back Wasn't it easier in your lunchbox days?  
Always a bigger bed to crawl into  
Wasn't it beautiful when you believed in everything  
And everybody believed in you? It's alright, just wait and see  
Your string of lights is still bright to me  
Oh, who you are is not where you've been  
You're still an innocent, you're still an innocent Did some things you can't speak of  
But at night you live it all again  
You wouldn't be shattered on the floor now  
If only you had seen what you know now then  
Wasn't it easier in your firefly catchin' days?  
And everything out of reach, someone bigger brought down to you  
Wasn't it beautiful runnin' wild 'til you fell asleep  
Before the monsters caught up to you? It's alright, just wait and see  
Your string of lights is still bright to me  
Oh, who you are is not where you've been  
You're still an innocent It's okay, life is a tough crowd  
32 and still growin' up now  
Who you are is not what you did  
You're still an innocent Time turns flames to embers, you'll have new Septembers  
Everyone of us has messed up too  
Minds change like the weather, I hope you remember  
Today is never too late to be brand new  
It's alright, just wait and see  
Your string of lights is still bright to me  
Oh, who you are is not where you've been  
You're still an innocent  
It's okay, life is a tough crowd  
32 and still growin' up now  
Who you are is not what you did  
You're still an innocent, you're still an innocent  
Lost your balance on a tightrope  
It's never too late to get it back
