

Little Bird

Brooke White

Fell out of love
And hit the ground
Lookin for something
That's never been found
Gave up my heart too many times
I wish I knew what I'm tryin to find So tell me, little bird
All of the good things that you've heard
Cause I need you, little bird
To sing me a sweet song
Ooh...
Just sing me a sweet song Well I don't care
What people say
Gonna believe in love anyway
All of my life I've been afraid
To lose myself in seasons of change
So tell me, little bird
All of the good things that you've heard
Cause I need you, little bird
To sing me a sweet song
So tell me, little bird
All of the good things you have heard
Cause I need you, little bird
To sing me a sweet song
Ooh...
Sing me a sweet song
Ooh... Underneath the willow tree
Won't you come and sing to me? So tell me, little bird
All of the good things you have heard
Cause I need you, little bird
To sing me a sweet song
Tell me, little bird
All of the good things you have heard
Cause I need you, little bird
To sing me a sweet song Ooh...
Sing me a sweet song, a sweet song
Ooh...
Sing me a sweet song
Ooh...
