

It Had to Be You

Tony Bennett & Carrie Underwood

It seems like dreams like I've always had
Could be, should be, makin' me glad
Why am I blue?
Its up to you to explain
I'm thinking maybe baby I'll go away
Someday, some way, you'll come and say,
"Its you that I need"
Maybe you'll be pleading in vain It had to be you, it had to be you
I wandered around, and finally found the somebody who
Could make me be true, could make me be blue
And even be glad, just to be sad - thinking of you
Some others I've seen, might never be mean
Might never be cross, or try to be boss
But they wouldn't do
For nobody else, gave me a thrill - with all your faults, I love you still
It had to be you, wonderful you
It had to be you
