

Shining Star

Boyz II Men

Honey, you are my shining star
Don't you go away, oh baby
Wanna be right here where you are
Until my dying day, yeah baby So many have tried
Tried to find a love like yours and mine
Girl, don't you realize how you hypnotize
Make me love you more each time, yeah baby Honey, I'll never leave you lonely
Give my love to you only
To you only, to you only
Honey, you are my shining star
Don't you go away, oh baby
Gonna be right here where you are
Until my dying day Feels so good when we're lying here next
To each other, lost in love, oh baby
Baby, when we touch, love you so much
You're all I ever dreamed of, oh baby, yeah Honey, I'll never leave you lonely
Give my love to ya only
To you only, to you only Honey, you are my shining star
Don't you go away, oh baby
Wanna be right here where you are
Until my dying day, oh, oh baby
Honey, you are my shining star
Don't you go away girl, oh baby
Wanna be right here where you are
Until my dying day, oh, oh baby Honey, you are my shining star
Don't you go away girl, oh
