

You've Lost That Loving Feeling

Elvis Presley

{International Hotel Las Vegas 14th August 1970}
(Live) You never close your eyes anymore when I kiss your lips
And there's no tenderness like before in your finger tips
You've trying hard not to show it
baby, baby i know it You've lost that loving feeling
Whoho that loving feeling
You've lost that loving feeling
Now it's gone, gone, gone whohohoho
yeah
Now there's no welcome look in your eyes when I reach for you
And your're starting to criticize little things I do
It makes just feel like crying
Baby cause baby something beautiful is dying You've lost that loving feeling
Whoho that loving feeling
You've lost that loving feeling
Now it's gone, gone, gone wohohohoho Baby, baby, I get down on my knees for you
the good went to tide
If you would only would love me like you used to do
Yeah
We had a love, a love, a love you don't find everyday
So don't, don't, don't let it slip away
Listen to me, talking to me
Bring back that loving feeling
Woho That loving feeling
Bring back that loving feeling
'Cause it's gone, gone, gone
And I can't go one wohohohoho
Wohohohohoho wohohohoho
