

# I Was Made for Dancin'

Leif Garrett

You got me rollin' like a wheel on the road  
Turnin' round and round, nowhere to go  
I've got to find out if you're feeling it too  
It's hard to tell, so here's what I do  
And every time I want more  
I'll take you out on the floor I was made for dancin'  
All, all, all, all night long  
I was made for dancin'  
All, all, all, all night long  
The days and nights are moving by me and you  
You're such a crazy love, you tear me in two  
I spend my time moving to dreams and a phase  
It's a crazy love, you can see it in my face  
And every time I want more  
I'll take you out on the floor I was made for dancin'  
All, all, all, all night long  
(Yeah)  
I was made for dancin'  
All, all, all, all night long I was made for dancin'  
All, all, all, all night long  
I was made for dancin'  
All, all, all, all night long Ah, hah, dancin'  
I was made for dancin', ah, hah  
I was made for dancin', dancin', dancin'  
I was made for dancin'  
All, all, all, all night long  
(Yeah)  
I was made for dancin'  
All, all, all, all night long  
Oh, I was made for dancin'  
All, all, all, all night long  
(Yeah)
