

# Never Alone

## BarlowGirl

I waited for you today  
But you didn't show  
No no.  
I needed you today  
So where did you go?  
You told me to call  
Said you'd be there  
And though I haven't seen you  
Are you still there?  
I cried out with no reply  
And I can't feel you by my side  
So I'll hold tight to what I know  
You're here and I'm never alone  
And though I cannot see you  
And I can't explain why  
Such a deep deep reassurance  
You've placed in my life. Whoa!  
We cannot separate  
'Cause you're part of me.  
And though you're invisible  
I'll trust the unseen.  
I cried out with no reply  
And I can't feel you by my side  
So I'll hold tight to what I know  
You're here and I'm never alone  
We cannot separate  
You're part of me  
And though you're invisible  
I trust the unseen  
I cried out with no reply  
And I can't feel you by my side  
So I'll hold tight to what I know  
You're here and I'm never alone
