

Sunday Morning

Orchestral Manoeuvres In the Dark

Sunday morning
Brings the dawn in
It's just a restless feeling
By my side Early dawning
Sunday morning
It's all the wasted years
So close behind Watch out the world's behind you
There's always someone around you
Who will call
It's nothing at all
Sunday morning
And I'm falling
I've got {a} feeling
I don't want to know Early dawning
Sunday morning
It's all the streets you've crossed
Not so long ago Watch out the world's behind you
There's always someone around you
Who will call
It's nothing at all
Watch out the world's behind you
There's always someone around you
Who will call
It's nothing at all Sunday morning...
