## **Sunday Morning**

## **Orchestral Manoeuvres In the Dark**

Sunday morning Brings the dawn in It's just a restless feeling By my sideEarly dawning Sunday morning It's all the wasted years So close behindWatch out the world's behind you There's always someone around you Who will call It's nothing at all Sunday morning And I'm falling I've got {a} feeling I don't want to knowEarly dawning Sunday morning It's all the streets you've crossed Not so long agoWatch out the world's behind you There's always someone around you Who will call It's nothing at all Watch out the world's behind you There's always someone around you Who will call It's nothing at allSunday morning...
