How To Love (feat. Sofia Reyes) [Fawks.i_o Remix]

Cash Cash

One two threeI've been running from the pain Trying not to feel the same But it's a shame that we're sinking See my confidence is shaking And my heart is feeling vacant So you try to fill it in You say "I can fix the broken in your heart You're worth saving darling" But I don't know why you're shooting in the dark I got faith in nothingBut love, pray for me I never had somebody So I don't know how to love Pray for me I know I need somebody So I can learn how to love How to love(Love) How to love(Love) How to love(Love) I know it's been a while Cause my memory's on trial For the way I used to beMy head is running miles Round in circles and I try To find the little to light in me You say "I can fix the broken in your heartYou're worth saving darling" But I don't know why you're shooting in the dark I got faith in nothing But love, pray for me I never had somebody So I don't know how to love Pray for me I know I need somebody So I can learn how to love How to love(Love) How to love(Love) How to love(Love) I know I need somebody I know I need somebody I know I need somebody So I can learn how to love How to love How to love

So I can learn how to love How to love How to love How to love Love, love, love, love, love, oh I know I need somebody I know I need somebody I know I need somebody So I can learn how to love Pray for me How to love(Love) How to love(Love) Song Discussions is protected by U.S. Patent 9401941.
