Speechless

Michael Jackson

Your love is magical, that's how I feel
But I have not the words here to explain
Gone is the grace for expressions of passion
But there are worlds and worlds of ways to explain
To tell you how I feel
But I am speechless, speechless
That's how you make me feel
Though I'm with you I am far away and nothing is for real
When I'm with you I am lost for words, I don't know what to say
My head's spinning like a carousel, so silently I pray
Helpless and hopeless, that's how I feel inside
Nothing's real, but all is possible if God is on my side
When I'm with you I am in the light where I cannot be found
It's as though I am standing in the place called Hallowed Ground
Speechless, speechless, that's how you make me feel
Though I'm with you I am far away and nothing is for real
I'll go anywhere and do anything just to touch your face
There's no mountain high I cannot climb
I'm humbled in your grace
Speechless, speechless, that's how you make me feel
Though I'm with you I am lost for words and nothing is for real
Speechless, speechless, that's how you make me feel
Though I'm with you I am far away, and nothing is for real
Speechless, speechless, that's how you make me feel
Though I'm with you I am lost for words and nothing is for real
Speechless
Your love is magical, that's how I feel
But in your presence I am lost for words
Words like, like "I love you."
