

Not Sure

Lil West

Daytrip took it to ten, hey! You take it all out on me I'll be your stress relief

You ain't gotta ask to leave

Don't worry if you hurting me

Release your curse from me

All you do is cursing me

You know that you could learn from me Oh, she want me home

Three years, off and on

Oh, I take too long

To keep myself together, for what?

What? I don't see the point

Ayy, she not too sure

Oh, what? I don't see the point

Ayy, she not too sure

Oh, she not too sure

She don't like using her manners

She wanna go to Atlanta

She want the lights and cameras

She call my phone, I don't answer

She wanna jump in the Phantom

She wanna Louis her baggage

She wanna live in a palace

She want me, but she not happy

I'm tired of keeping it balanced

I don't know why I allow it

It's too many secrets I'm hiding

I'm tired of catching you lying

I'm tired of thinking I'm wrong

Tired of being alone, ayy

Why should we do this again? Ayy

You know that we struggled before, uh

It's me all by myself, ayy

Why would you go, oh?

Me all by myself, ayy

Why would you go, oh?

You love me to death, huh

You all told

You love me to death Oh, she want me home

Three years, off and on

Oh, I take too long

To keep myself together, for what?

What? I don't see the point

Ayy, she not too sure

Oh, what? I don't see the point
Ayy, she not too sure
Oh, she not too sure Daytrip took it to ten, hey!
She not too sure
