

# Sober

## TOOL

There's a shadow just behind me  
Shrouding every step I take  
Making every promise empty  
Pointing every finger at me  
Waiting like the stalking butler  
Whom upon the finger rests  
Murder now the path called "must we"  
Just because the Son has come  
Jesus, won't you fucking whistle  
Something but what's past and done?  
Jesus, won't you fucking whistle  
Something but what's past and done?  
Why can't we not be sober?  
I just want to start this over  
Why can't we drink forever?  
I just want to start this over  
I am just a worthless liar  
I am just an imbecile  
I will only complicate you  
Trust in me and fall as well  
I will find a center in you  
I will chew it up and leave  
I will work to elevate you  
Just enough to bring you down  
Mother Mary, won't you whisper  
Something but what's past and done?  
Mother Mary, won't you whisper  
Something but what's past and done?  
Why can't we not be sober?  
I just want to start this over  
Why can't we sleep forever?  
I just want to start this over  
I am just a worthless liar  
I am just an imbecile  
I will only complicate you  
Trust in me and fall as well  
I will find a center in you  
I will chew it up and leave  
Trust me  
Trust me  
Trust me  
Trust me  
Why can't we not be sober?  
I just want to start this over  
Why can't we sleep forever?  
I just want to start this over  
I want what I want  
I want what I want

I want what I want

I want what I want
