

I'm In Love

Aretha Franklin

I'm in love with a girl and she's in love with me
When I look to her mind I can only see tears
If she'd blow me a kiss I would wait for years
I'm in love with a girl she's in love, with...If we wait for church now
Can we see diekirche?
Broken china on the bull platter
Time bomb tick-tickin' on
She's a foxy little thing now
I like the way she makes me swing
Like the sound of the sunday prayer
She got no time for the marble chatter
I wait by you
Feel the fire
Searching for the
Taste
Touch
Feel
Bite
Boom
TimeJudas set me free
This shit is killing me now
We got a buzz from the white water
Time bomb tick-tickin' on
My heart is pumpin' like a sieve, girl
Feel the bone chip from the strain
I think we'll wait a little longer now
Time ticks like a freight train
I wait by you
Feel the fire
Searching for the
Taste
Touch
Feel
Bite
Boom
TimeMe...
You...
Me...
You...
Me...
You...
Me...

You...
