

No Such Thing as a Broken Heart

Old Dominion

I wonder if Jack and Diane ever made it,
After the drums and the guitars all faded.
Was the best they could do good enough
Or did the heartland just swallow em up
How did my mom and my dad ever do it,
If there were troubles then we never knew it.
I guess they had each other and that was enough
You know you can't keep the ground from
shaking
No matter how hard you try
You can't keep the sunsets from fading
You gotta treat you love like
Your jumping off a rope swing maybe cause the whole thing is really just a shot in the dark
You gotta love like there's no such thing as a broken heart
You gotta love like there's no such thing as a broken heart
What am I gonna tell my kids when they see
All of this bullshit that goes down on TV
When the whole world is down on its luck
I gotta make sure they keep that chin up
Cry when it hurts, laugh when it's funny
Chase after the dream don't chase after the money
And know we got each other, that's what's up
Cause you can't keep the ground from shaking,
No matter how hard you try
You can't keep the sunsets from fading
You gotta treat you love like
Your jumping off a rope swing maybe cause the whole thing is really just a shot in the dark
You gotta love like there's no such thing as a broken heart
You gotta love like there's no such thing as a broken heart
You gotta love like there's no such
thing as a broken heart
Cause you can't keep the ground from shaking
No matter how hard you try
You can't keep the sunsets from fading
You gotta treat you love like
Your jumping off a rope swing maybe cause the whole thing is really just a shot in the dark
You gotta love like there's no such thing as a broken heart
You gotta love love love love...
You gotta love love love love...
You gotta love like there's no such thing as a broken heart
