

Start Me Up (feat. Bei Maejor)

New Boyz

[Verse 1 - Ben J]

How did I end up in this club?
Man I swear I'm goin crazy
And I can not find my phone
And I need to call me baby
If she saw what I was doin
She would probably wanna drop me
But I can not stop right now
Cause-cause right now this party got me feelin goooooood
Yeah, let's do it up tonight
Ain't worryin about tomorrow
Man I'm livin life l-l-l-like a baller shouuuuld
Yeah tell me we ain't goin hard
This goes out to all of y'all (y'all, y'all, y'all, y'all)

[Chorus: Bei Maejor]

Party party party people come say whassup(WHASSUP!)
Yeah baby baby start me up
So a sexy sexy lady's gonna show me love
Yeah baby baby start me up...

Woahhh

Party party people come say whassup (WHASSUP!)
Yeah baby baby start me up[Verse 2]

Hella boppers on my gold and some bottles in they handI don't see they boyfriend and they guys
