## Don't Be Cruel

## **Bobby Brown**

Don't be, don't be, don't be, don't beGirl, the only thing that matters in my life

Is that I'm down for you and treat you right

You've got no call to treat me cold as ice

Oh oh, girl as long as I've been givin' my love to you

You should be givin' me your love, too

But you just keep on actin' just like a fool

You know it ain't coolDon't be cruel 'cause I would never be that cruel to you

Uh no, oh oh, no don't be cruel

Girl, you need to change your attitude

Uh no, oh don't be cruelHey yo' Kimmy what's up with this attitude

I thought I was bein' real good to you

I treat you sweet, take you out at night

But you never say thanks girl that ain't right

I bought you diamonds even gave you pearls

I took you for a cruise all around the world

I treat you high post but you play me close

If I want to drink up you won't even toastGirl, I work so hard for you from 9 to 5

So you could have the finer things in life

Since you're the kind that's never satisfied

Oh oh, girl as long as I've been givin' my heart to you

You should be givin' me your heart, too

But you just keep on actin' just like a fool

You know it ain't coolDon't be cruel 'cause I would never be that cruel to you

Uh no, oh oh, no don't be cruel

Girl, you need to change your attitude

Uh no, oh

We used to hang out tough just kickin' around

We discovered a love that had never been found

You gave me your heart I gave you my mind

But a true love affair we could never findAlthough I want you bad I could let you go

'Cause there's a lot of girls out there that won't say no

But due to fact that I want you, Jackie

I want you more than human eyes can seeBut you had to start givin', tryin' to make a killin'

Thought about the dollars I make and you were willin'

To be with me Bobby B

But with a bad attitude I can't competeNow you know my name, now I know your game

You want to be with me you got to be the same way

That another girl would be

And if you wanna be with meDon't be cruel 'cause I would never be that cruel to you

Uh no, oh oh, no don't be cruel

Girl, you need to change your attitude

Uh no, ohBut a true love affair we could never find

Don't be, don't be, don't be
I don't feel goodFrom fancy cars to diamond rings
I've just about given you everythin'

There's really not much I won't do for you

I bought you 12 yellow roses and candy tooI like be up front and never play the back But the way you treat me girl is like a heart attack

I'm real troop trooper and with all the times

That you were by my side diggin' dollars outta crockOh oh, girl as long as I've been givin' my love to you

You should be givin' me your love, too But you just keep on actin' just like a fool

You know it ain't cool, it just ain't coolDon't be cruel 'cause I would never be that cruel to you Uh no, oh oh, no don't be cruel

Girl, you need to change your attitude
Uh no, ohDon't be cruel 'cause I would never be that cruel to you
Uh no, oh oh, no don't be cruel
Girl, you need to change your attitude
Uh no, oh
