Last Hurrah (David Guetta Remix)

Bebe Rexha

[Verse 1]
I'm done with the drinking
I'm done with the smoking
I'm done with the playing
I'm done with the joking
I'm done with the ladies
I'm done with the fellas
Just sayin' (Oh)
Farewell tequila, so long margarita
And lady sativa, I hate to leave ya
Don't want the pressure
I don't need a lecture
No, thank you, honey, God bless ya[Pre-Chorus]
I know I've said it all before (Said it all before)
But it won't hurt to do it all once more
[Chorus]
This is my last hurrah, once I start
I ain't gonna stop 'tlI I go too far
Last hurrah and it's okay
Maybe tomorrow I won't feel this pain
Last hurrah
Last hurrah[Verse 2]
I'm done with the heartache
I'm done with the demons
Can't wait to be normal
Right after this weekend
I'm done with the drama
I'm fixing my karma
One more night of pure nirvana[Pre-Chorus]
I know I've said it all before
But it won't hurt to do it all once more
[Chorus]
This is my last hurrah, once I start
I ain't gonna stop 'til I go too far
Last hurrah and it's okay
Maybe tomorrow I won't feel this pain
Last hurrah
Last hurrah[Bridge]
Maybe I'll never change
But I'm still glad I came
Try again another day
But for now[Chorus]

This is my last hurrah, once I start
I ain't gonna stop 'til I go too far
Last hurrah and it's okay
Maybe tomorrow I won't feel this pain
Last hurrah
Last hurrah
