

# Hold On

## Shawn Mendes

Stop, take it in  
And I breath for a minute  
I think too much when I'm alone  
I never win when I  
Keep all my thoughts inside  
So, I'll pick up the phone And my dad said "Shawn, stay with me  
Everything will be alright  
I know I haven't seen you lately But you're always on my mind  
I don't know what  
You're going through  
But there's so much life  
Ahead of you  
And it won't slow down  
No matter what you do  
So you just gotta hold on  
All we can do is hold on, yeah" These days are flying by  
Weeks feel like minutes  
I can't remember being small  
I try to figure it out I can't seem to find out how  
I guess I don't know much at all And my dad said "Shawn, stay with me Everything will be  
alright  
I know I haven't seen you lately  
But you're always on my mind  
I don't know what  
You're going through  
But there's so much life  
Ahead of you  
And it won't slow down  
No matter what you do  
So, you just gotta hold on  
All we can do is hold on, yeah  
All we can do is hold on Yeah, you just gotta hold on  
Just, just hold on Just hold on for me" My dad said "Shawn, stay with me  
Everything will be alright  
I don't know what  
You're going through  
But there's so much life  
Ahead of you  
And it won't slow down  
No matter what you do  
So, you just gotta hold on  
All we can do is hold on, yeah

Yeah, you just gotta hold on  
Just hold on for me"
