

What God Wants for Christmas

Darius Rucker

old man playin' santa clause
blew into town with old jack frost
now he's handing out candy canes and smiles for free
people scurry with their list
rushing around to buy those gifts that will
end up wrapped up underneath that tree
i'm sitting at this red light looking at a manger scene
watching snowflakes kiss that baby
and it makes me think
i wonder what God wants for christmas
something that you can't find in a store
maybe peace on earth
no more empy seats in church
might be what's on his wish list
i wonder what God wants for christmas
what do you give someone
who gave his only son
what if we believed in him like he believes in us
i wonder what God wants for christmas
what might put a smile on his face
every bible with no dust
the devil giving up
would be what's on his wish list
yeahhh...
i wonder what God wants for christmas
what kind of gift from you and me
more sister
more brother
more love in one another
yeah, i wonder
i wonder what God wants
by know we oughta know
what God wants
for christmas
