

Telegraph Avenue

Rancid

I was there in the rain
Man, even if them skies were blue
You can find me on the corner of Durant
And Telegraph Avenue When I was only 17
I knew what I had to do
So I grabbed my left handed guitar
And I headed out to Telegraph Avenue Na na na na na, na na na na na na, na na
Na na na na na, na na na na na na, na na
Oh yeah
Mario Savio gave a speech
It was him against The Machine
For that he spent three months in jail
But he said he'd do it again Governor Reagan had enough
So the National Guard they pushed on through
Tear gas and riot police
On Telegraph Avenue Na na na na na, na na na na na na, na na
Na na na na na, na na na na na na, na na
Oh yeah
The ones who stand for freedom of speech
Well this one goes out to you
Well I can still hear your voice
On Telegraph Avenue Na na na na na, na na na na na na, na na
Na na na na na, na na na na na na, na na
Oh yeah
