## 911

## Lady Gaga

Turning up emotional faders

Keep repeating self-hating phrases
I have heard enough of these voices

Almost like I have no choiceThis is biological stasis
My mood's shifting too manic places

Wish I laughed and kept the good friendships

Watch life, here I go againI can't see me cry

Can't see me cry ever again (Ooh)

I can't see me cry

Can't see me cry this is the end (Ooh)

My biggest enemy is me

Pop a 911

My biggest enemy is me

Pop a 911

My biggest enemy is me

Ever since day one

Pop a 911

Then pop another oneKeep my dolls inside diamond boxes Save them till I know I'm gon' drop this

Front I've built me around my oasis

Paradise is in my hand

Holding on so tight to this status

It's not real but I'll try to grab it

Keep myself in beautiful places

Paradise is in my hands

I can't see me cry

Can't see me cry ever again (Ooh)

I can't see me cry

Can't see me cry this is the end (Ooh)My biggest enemy is me

Pop a 911

My biggest enemy is me

Pop a 911

My biggest enemy is me

Ever since day one

Pop a 911

Then pop another one

(Pop another one)

Pop a 911

Then pop another oneI can't see me cry

Can't see me cry ever again (Ooh)

I can't see me cry

Can't see me cry this is the end (Ooh)My biggest enemy is me

Pop a 911
My biggest enemy is me
Pop a 911
My biggest enemy is me
Ever since day one
Pop a 911
Then pop another onePlease patch the line

Need a 911, can you patch the line
Please patch the line
Please patch the line
Need a 911, can you patch the line
